<b>Firm Profile:</b>	<p>Haliczer Pettis &amp; Schwamm, P.A. is a highly experienced and nationally recognized law firm concentrating on civil litigation. The firm has extensive experience in personal injury, medical malpractice, commercial litigation, employment law, professional liability, employment practice claims and workers' compensation.</p> <p>Our senior attorneys have decades of combined experience litigating cases throughout the state of Florida, in state courts, federal courts and on all appellate levels. Our team of associates expands that experience even further. We are a service-oriented firm that is committed to providing zealous representation and superior value to our clients. Through experience, we have implemented a structure that is tailored to ensuring that we meet the unique needs of our diverse clientele in a timely and effective manner.</p> <p>We employ in-house medical professionals who can quickly and efficiently evaluate medical issues that arise in our litigation. Our experienced associate attorneys and paralegals assist the partners in evaluating and managing the intricacies of each case. Our in-house appellate staff provides support in thoroughly researching and analyzing the unique legal issues of each case.</p> <p>Over the years, our team has developed close working relationships with expert witnesses in virtually every field. These resources allow us to be tough, aggressive and to move cases toward resolution whether through trial, settlement or alternative resolution.</p>
