**Firm Profile:**

Haliczer Pettis & Schwamm, P.A. (HPS) is a nationally-recognized law firm based in Florida. The firm has extensive experience in dealing with medical malpractice, personal injury and wrongful death, catastrophic injury, child injury, premises liability, workers compensation and appellate matters.

Our attorneys have more than 200 years of combined experience litigating cases throughout the State of Florida. HPS is service-oriented and committed to providing zealous representation and superior value to our clients. We strive to meet the unique needs of our diverse clientele in a timely and effective manner.

HPS employs in-house medical professionals who can quickly and efficiently assess the medical issues that arise in our litigation matters. Our skilled paralegals assist the partners in evaluating and managing the intricacies of each case. In addition, our in-house appellate staff provides support by thoroughly researching and analyzing the unique legal issues of each case.

Over the years, our team has developed close working relationships with expert witnesses in virtually every field. These resources allow us to be tough, aggressive and to move cases toward resolution, whether through trial, settlement or alternative dispute resolution.
